

Sprint1 Plan

HotelLocal

Sprint Completion Date: 10/21

Revision number: TBD

Revision date: TBD

Goal:

In order to build a strong establishment for this project, we intend to spend the first week or so researching our desired languages and technologies for our code. Once this is settled, we should begin brainstorming how we would want to set up our website.

Task listing, organized by user story:

User Story 1: As a user, I need to search for hotels based on location so that I can plan my stay.

- Task 1: Hosting website (5)
- Task 2: Languages to use (4)
- Task 3: Familiarize ourselves with technologies to HTML and CSS framework, ideally Bootstrap (6)

Total for user story 1: 15 hours

User Story 2: As a user, I want to find a list of smaller hotels in the area to avoid picking between the same 5 or 6 companies.

- Task 1: Database (5)
- Task 2: Research ways to obtain hotel data (4)

Total for user story 2: 9 hours

Team roles:

- Emma Pedersen: Project owner {/Researcher}
- Siddhi Panchal: SCRUM Master {/Researcher}
- David Li: Researcher {/Developer}
- Christian Hernandez: Researcher {/Developer}
- Vanessa Webber: Researcher {/Developer}

Initial task assignment:

- Emma Pedersen: User Story 1, Task 2
- Siddhi Panchal: User Story 2, Task 2
- David Li: User Story 1, Task 1
- Christian Hernandez: User Story 2, Task 1
- Vanessa Webber: User Story 1, Task 3

Initial burnup chart:

Given how we have only just begun discussing our project recently, we have yet to set up a burnup chart. However, we expect to spend approximately 30 hours on researching languages and data for our hotel website.

Initial scrum board:

We intend on setting up a scrum board after meeting with the TA and establishing a more solid schedule for working on our tasks. That being said, we are considering using scrumblr.ca as a starting point, given its accessibility and ease. This process needs to be discussed a bit more within the group before a final decision is reached.

Scrum times:

- Tuesdays: 3-5pm
- Wednesdays: 2-4pm
- Thursdays: 3-5pm (Meeting with TA at 3:30pm)

As of right now, we have not officially set up a schedule, so this is only an estimation of times that seem to best fit. These times are subject to change until a final decision is made, (preferably in the next week or so).
